

TO WHOM IT MAY CONCERN:

My husband and I would like to highly recommend Roof Life Of Oregon. They tore off our old roof and put on a beautiful new roof. The job was well organized and perfectly done. When Roof Life Of Oregon finished the job there wasn't as much as a limb broken or a nail left on the ground. The only way you would know that we had anything done to our home was by looking up at our great new roof!!!

We later had another company put gutters on our home. The experience was very stressful. The gutters were put on inside out and our property was left in disarray. The company did come back and make things right but we feel sure that this would not have happened with Roof Life Of Oregon. We thought it was important to share this story with others so no one else would have to go through what we went through with our gutter project. Again we would like to highly recommend Roof Life Of Oregon!!

Sincerely,

R. and D.
